FOUR DOGS

High quality
supplements for
your dog.

Saving the world
one paw at a time.

FOUR DOGS

My dogs, Pumpkin, Scooter and Palmer.

Why I feel that my product is special:

I use all natural herbs formulated with pet specific ratios by a master herbalist.

Each ingredient was specifically chosen with your dogs needs in mind.

My love and respect for animals inspired this product, and encouraged me to make it available to you.

Ingredients:

Barley Grass Juice: prevents cells from damage caused by free radicals and toxins, and helps protect immune system cells. Provides odor control, fights bad breath & aids in digestion.

Mezotrace: for muscle growth and contraction and is beneficial for the prevention of muscle cramps. Essential in blood clotting, and for strengthening bones and teeth.

Saw Palmetto Berries: used by the American Indians to treat genitourinary tract infections and as a tonic for nutritional supplementation.

MSM: is bio-available sulfur that gives lasting pain relief. It help repair muscles, ligaments tissue, tendons, and skin, and is an anti-inflammatory.

Glucosamine HCl: helps restore cartilage and improve joint function.

Damiana: used to relieve anxiety, and mild depression. Also used as a general tonic to improve wellness.

Dong Quai: used as a heart, spleen, liver kidney and general blood tonic.

Blessed Thistle: used for digestive disorders and for liver and gallbladder diseases.

Devil's Claw: Used for soft tissue conditions with inflammation like tendinitis, and for loss of appetite and upset stomach.

Horsetail: has been used to stop bleeding, increase urine production, repair broken bones and relieve rheumatic conditions such as arthritis.

Oat Straw: benefits building healthy bones, pain relief, boosting immune system, and as an anti depressant.

Slippery Elm Bark: used to relieve gastrointestinal conditions, sore throats, ulcers, and respiratory irritations.

Hops: used for nervous disorders and to help anxiety or sleep.

Yellow Dock Root: promotes proper elimination and colon health, and supports liver function.

Wild Yam Root: anti-inflammatory and anti-spasmodic. Used to ease stiffness and pain.

Flax Seed: very high in omega-3 essential fatty acids. It's the Omega -3 "good" fats that lower cholesterol, stabilize blood sugar, and reduce the inflammation of arthritis, as well as providing dogs with a shiny coat.

Brewer's Yeast: rich source of many nutrients including protein, B vitamins, phosphorus and chromium.

Garlic: lowers cholesterol, prevents dangerous blood clots, reduce blood pressure, protect against bacterial and fungal infections.

These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
